Location Lisbon, Portugal

PROFILE

Eight years at Porsche AG, from dual student to Market Specialist CRM & Marketing, owning sales funnel management for **nine international markets**. Now completing an MSc in Business Analytics at NOVA SBE and building my own AI automations and products – to turn scattered data into better business decisions.

PROFESSIONAL EXPERIENCE

Dr. Ing. h.c. F. Porsche AG, Stuttgart — 09/2018 – 08/2026

Market Specialist CRM & Marketing – Porsche Asia Pacific & Porsche Cars Australia — 02/2024 – 08/2026

- **Built the "Sales Funnel Management Excellence" (SAFE) concept** for the Overseas & Emerging Markets region, rolled out across **9 markets** (incl. Japan, Korea, Taiwan, Middle East, Latin America, Australia) with dealer coaching and sales funnel reporting
- **Steered CRM and marketing projects** for Porsche Asia Pacific (Singapore) and Porsche Cars Australia, incl. on-site work

VA Talent Program (selected high-potential programme) — 03/2023 – 03/2024

- **"Need for Speed":** identified process bottlenecks in Aftersales and developed measures to accelerate them

Specialist Aftersales Promotion & Communication — 10/2021 – 01/2024

- **Initiated the Service Churn Project** with Porsche Ibérica to win back service customers; Key Account for Porsche Middle East and Porsche Ibérica
- **Led the global "Service Communication Council"** with Porsche subsidiaries and created Aftersales dealer-website templates, piloted in the Middle East

Dual Student – Rotations across the Value Chain — 09/2018 – 09/2021

Sales Controlling · Aftersales Business Development · Aftersales Communication · Panamera Development · Procurement Metal · Sales Smart Mobility Digital Ecosystem

- **Built Excel/VBA reporting and an internal cost calculation tool** in Sales Controlling; budgeting & forecasting
- **Designed a "Used Car Check" concept** to create an additional Aftersales revenue stream

PROJECTS & ENTREPRENEURSHIP

Surfletics – *Passion Project* verazoll.com/surfletics — 2026

- **Launched a click dummy** for a surf app matching forecasts to each surfer; validating demand via in-app survey before building an ML "fit score"

AI Automations (Claude) — 2026

- **Built a daily AI morning brief** (calendar, weather, surf conditions → phone push) and a **Notion study hub** where Claude files class summaries on request

Aqua Aware – Start-up (Water Measurement Device) — 08/2026 – 12/2026

- **Supported software development** of a water measurement device and **represented the start-up at the 9th International Symposium, Fraunhofer Institute**

EDUCATION

MSc in Business Analytics – *NOVA School of Business and Economics, Lisbon* — 09/2026 – 2027 (expected)

B.Eng. Industrial Engineering – *DHBW Stuttgart, dual study with Porsche AG (grade 1.5)* — 2018 – 2021
